Dear Member

In my first week as SBS Group CEO I'd like to take this opportunity to introduce myself to you – our Members.

I've spent 28 years in banking in New Zealand with the last 20 months working with a bank in Asia. Growing up mainly in the South Island, my first banking role was in Hokitika; from there progressing through many areas of banking and locations around the country, into senior level management roles.

As a mutual, our Members are our owners and we have a genuine focus on truly understanding how we can best support your financial journey. That's one key reason I was attracted to SBS and why returning to New Zealand to settle with my family in Invercargill has felt so much like coming home.

Over coming weeks, I'll be travelling around the SBS network to meet our team - and hopefully some of our Members - to get a deeper understanding of what makes SBS so successful and how we can build on our proud 147 year history.

As you'll know from the many offers advertised, banking in New Zealand is very competitive. However, I'm absolutely convinced SBS has the key ingredients of the right people, the right values, a rich history and exciting initiatives to provide a strong reason to be with us.

Whether you've been with us for generations or only discovered us recently, I'm thrilled to have joined this special team which works hard to earn your trust, loyalty and support.

If you have any questions, please feel free to contact me at CEO@sbsbank.co.nz.

Thank you.

Shaun Drylie
SBS Group CEO
