

Debit Mastercard® Terms & Conditions

Effective 21/07/2020.

Important

- Southland Building Society operates under the brand “SBS Bank”. The name of the registered bank is Southland Building Society (referred to as “the Bank”).
- Please read this document carefully and then keep it in a safe place.
- These Terms and Conditions (as amended or replaced from time to time) apply in addition to the Bank’s General Terms and Conditions and any additional terms and conditions applying to your account(s). Copies of the specific terms and conditions for your account(s) may be obtained from our web site, from any of our Branches or by ringing our Contact Centre.
- In the event that there is any inconsistency between these Terms and Conditions and any other terms and conditions applying to your use of your Card, these Terms and Conditions will prevail to the extent of that inconsistency.
- By signing or using your Card, you agree that you have read, understood, and agree to comply with, these Terms and Conditions.
- We are happy to explain anything that is not clear to you.

1. Your Card and its Use

- 1.1 You must sign your Card with your usual signature as soon as you receive it. You must not use your Card until you have signed it. Your Card belongs to the Bank at all times and you agree to return it if asked or if all of your associated account/s are closed.
- 1.2 You must keep your Card in your possession or in a safe place at all times. Never allow anyone else to use your Card. Only the person to whom the Card has been issued to is authorised to use the Card.
- 1.3 We recommend that you notify the Bank when you plan on travelling and using your Card overseas.

2. Your PIN

- 2.1 You will either be issued with your own PIN when you are issued with your Card or if you prefer, you can call at one of our Branches with your Card and relevant identification to select your PIN.
- 2.2 If your PIN is sent to you, you will need to phone our Contact Centre on 0800 727 2265 or call in at one of our Branches to activate your Card.
- 2.3 If your PIN is sent to you and the PIN mailer is not received by you intact or a PIN change has occurred without being requested by you, please contact us immediately.
- 2.4 If you wish to change your PIN, simply call at one of our Branches.
- 2.5 You should take care when selecting your PIN. Please refer to the General Terms and Conditions for further information.
- 2.6 You should memorise your PIN. Do not keep a written or electronic record of your PIN (including storing it in your mobile phone) or disclose it to any other person or entity, including friends or family, or Bank staff. We will not ask you to disclose your PIN to our representatives. You will only be required to use your PIN in approved PIN entry devices.
- 2.7 You need to take precautions to ensure that others cannot observe you entering your PIN. This helps reduce the risk to you of fraud and unauthorised access to, and Transactions on, your account(s). However, you should note that in some instances, your Card can be used without a PIN (see the description of “Contactless Transactions”).
- 2.8 You will need a PIN if you wish to use your Card for ATM Transactions. For EFT Transactions overseas, PIN functionality may not be available and your signature will be required.
- 2.9 Electronic Funds Devices which are not genuine or may have been tampered with increase the risk of your PIN being exposed. To help prevent this from happening, you should attempt to verify the validity of any Electronic Funds Device before use. You should also not use any Electronic Funds Devices that do not look genuine. Warning signs that an Electronic Funds Device is either not genuine or has been tampered with include (but are not limited to):
 - a. modifications to the device;
 - b. where suspicious devices are attached;
 - c. where the device does not look genuine; or
 - d. where the device is behaving in a suspicious way.
- 2.10 Your PIN identifies you and allows you access to your account(s). The Bank will not take any further steps to verify that the person using your Card and your PIN so anyone else using your Card and your PIN will be allowed access to your account(s) whether or not you have given your permission.
- 2.11 Subject to the Bank’s duty to exercise reasonable care and skill and comply with relevant legislation and the Code of Banking Practice, we may decline to act or delay acting on any instructions given where we consider we have good reason to do so.

3. Accessing your Account(s)

- 3.1 When you apply for your Card, you must nominate which account(s) you wish to access using your Card.
- 3.2 If you wish to make a change to your Nominated Account(s), please phone the Contact Centre on freephone 0800 727 2265 or visit your nearest Branch.
- 3.3 The Bank may restrict which of your account(s) you can nominate for access. Cards can only access account(s) which require one authorised signatory to operate the account.

4. Transactions

- 4.1 Liability for Transactions charged to your account.
- 4.2 You are responsible for all Transactions made with the use of your Card or Card Number. You will be required to pay the relevant amounts from your account(s) on all:
 - a. cash advances and sales vouchers signed or authorised by you or another cardholder on your account(s);
 - b. mail, telephone, internet order or email Transactions and Cycle Payments authorised by you or another cardholder on your account(s);
 - c. EFT Transactions carried out on your account using your Card(s) or the Card of another cardholder on your account(s); and
 - d. other Transactions authorised by you or another cardholder on your account(s) and approved by us.
- 4.3 There are risks involved if you or another cardholder on your account(s) either give your Card Information and/or initiate a Transaction, by mail order, telephone order, internet or by email before you receive goods or services. You are giving authority to the Mastercard Merchant to process an EFT Transaction or issue a sales voucher for the purchase amount which will be debited to your account(s). Before undertaking any Transactions and particularly before you agree to make a purchase from the Merchant, you should consider the security and standing of the Merchant company or entity you are doing business with.
 - a. If you, or another cardholder on your account(s), initiate Cycle Payment Transactions, i.e. if you agree with a Mastercard Merchant that an amount will be debited to your account(s) on a regular basis, then you are liable for meeting those Transaction amounts even if you close your account(s), unless you have cancelled such payments with the Merchant.
 - b. In certain circumstances, your agreement with the Merchant may authorise the debiting of your account(s) with additional purchase amounts without the need for your signature.

5. Incorrect or unauthorised Transactions

- 5.1 If you think a Transaction shown on your statement is incorrect, you can dispute it by following the procedures described in the section entitled “Transaction disputes” below.
- 5.2 In some situations, if you do not receive the goods or services you have ordered using your Card or Card Number, or you have not authorised a Transaction, you may be able to get a credit for the Transaction from the Merchant.

6. Card Transaction requirements

- 6.1 Use of your Card constitutes an irrevocable order to the Bank. You may not stop payment of a Transaction made using your Card. There are limited circumstances under which we can reverse a Transaction which will be subject to the rules of Mastercard, for example, we cannot reverse a Transaction where there is a dispute with a Merchant about the quality of goods and services. We will not be responsible for the goods or services supplied by any Merchant, and any complaints you have with the Merchant must be resolved by you with the Merchant concerned.
- 6.2 EFT transfers will be processed on the day the Transaction is made, or as soon as possible thereafter, subject to our right to vary the date of debiting due to circumstances beyond our control.
- 6.3 When you use your Card in an Electronic Funds Device, the Transaction will be processed as soon as we have been notified by the bank that processes the Transaction of the Electronic Funds Device you used.
- 6.4 Unless you are advised otherwise, your Daily Transaction Limits are:
- ATM Limit NZD \$1,500
 - Daily Transaction Limit NZD \$5,000
- 6.5 Subject to any applicable limit imposed by a particular Merchant where you use your Card to purchase goods or services from that Merchant. These limits apply over any 24 Hour Period and may be changed by prior arrangement with the Bank, except as set out in this clause. These limits are cumulative in each 24 Hour Period and include fees associated with each type of Transaction. Any domestic ATM or EFT Transactions will reduce the Daily Transaction Limit that applies to any overseas ATM or EFT Transaction within a 24 Hour Period. Any overseas ATM or EFT Transactions will reduce the Daily Transaction Limit that applies to any domestic ATM or EFT Transaction within a 24 Hour Period.
- 6.6 You agree not to use your Card beyond your available credit on any Nominated Account (including any overdraft limit) unless you have made a special arrangement with the Bank.
- 6.7 The acceptance of an EFT transfer, any sales vouchers or an off-line kind transfer is not a representation by us that you have sufficient funds in your account to cover the transfer of funds. Where a transfer overdraws your account, normal overdraft charges will apply. Details of these charges are available from any of our Branches or by calling our Contact Centre, on freephone 0800 727 2265.
- 6.8 You are liable for all Off-line Transactions. We will not be deemed in any way to have consented to any Off-line Transaction.
- 6.9 Transfers of funds to or from your account(s) will be debited or credited as per your instructions on the day the instructions are given or as soon as possible thereafter.
- 6.10 Unless otherwise advised, account balances obtained using your Card will reflect all Transactions processed up to that time of enquiry. The only transactional account information available to you will be transactional information up to the close of business on the previous banking day.
- 6.11 If you initiate a Transaction with your Card by mail order, telephone order or via the internet, you are authorising the Mastercard Merchant to process an EFT Transaction or issue a sales voucher for the purchase amount which will be debited from your account(s).

7. Contactless Transactions

- 7.1 Your Card has contactless payment technology built in, allowing you to carry out Contactless Transactions with your card.
- 7.2 To pay for purchases under NZ\$80 in New Zealand, you can simply tap your Card against a Contactless Reader without using your PIN or signature. Tapping your Card is you agreeing that the Transaction amount is correct and authorising payment to be made from your Nominated Account.
- 7.3 For purchases over NZ\$80 a PIN or signature will be required.
- 7.4 A different threshold may apply in other countries.
- 7.5 As a security feature of your Card, if you have made a number of consecutive Contactless Transactions may be prevented from being completed. To continue to use your Card and continue with the Transaction, you will either need to insert or swipe your Card and use your PIN.

8. Foreign Currency Transactions

- 8.1 Cash advances, purchases and/or charges made in foreign currencies will be processed and converted to New Zealand dollars by Mastercard at a rate(s) of exchange fixed by Mastercard on the day the Transaction is processed (which may differ from the rate applicable on the date the Transaction occurred or the date when the Transaction was posted to your account). The total converted amount will appear on your statement. A foreign currency fee will be charged by us on any such Foreign Currency Transaction in addition to any fee charged by the Merchant. For details of this fee, please refer to our Account Charges document.
- 8.2 Transactions reversed or refunded to your account, including by the Merchant, may differ from the original amount debited due to changes in the currency conversion rates that may have occurred between the time of the original transaction and the time of the reversal or refund. For more information on obtaining reversals or refunds please refer to the section entitled "Transactions Disputes" below.

- 8.3 Dynamic currency conversion may be offered to you by some Merchants. This gives you the option of using your Card to pay for goods or services purchased from an overseas Merchant, in New Zealand dollars at the point of sale (rather than the currency in which the Merchant is domiciled). Any applicable Merchant terms and conditions and/or international card scheme rules relating to dynamic currency conversion will apply. If you decide to purchase goods or services using dynamic currency conversion, the rate of exchange and any applicable fees will be charged by the Merchant and payable by you at the point of sale. The Merchant may also charge a fee for this service.

9. Card Acceptance and Limitations

- 9.1 In New Zealand, your Card will be accepted in any ATM or Electronic Funds Device or by any Merchant displaying the Mastercard logo.
- 9.2 Overseas, your Card will be accepted at ATMs, banks and Merchants displaying the Mastercard logo and at any Electronic Funds Device displaying the Mastercard or PayPass™ logos. We will not be held liable if any bank or Merchant either refuses to accept your Card or will not allow your Card to be used to purchase particular types of goods and services available at the premises. The use of your Card for Foreign Currency Transactions may be subject to exchange controls or other government requirements and additional costs may be incurred.

10. Lost or Stolen Cards

- 10.1 You must notify the Bank immediately if you know or suspect your Card is lost or stolen, someone else knows your PIN or you discover an unauthorised use of your Card or Card Information has occurred.
- 10.2 Within New Zealand
- You should freephone 0800 727 2265; and
 - In the case of a stolen Card, you will also need to advise the police and you will be asked to complete a written report.
- 10.3 If you are outside New Zealand
- Notify a bank which displays the Mastercard logo, or
 - If you cannot find a bank which displays the Mastercard logo, you should telephone 64 3 211 0845.
- 10.4 There may be a charge to your account if a replacement Card is required.

11. Liability if your Card is Lost or Stolen or Card Information Compromised

- 11.1 Once you have notified the Bank that your Card has been lost or stolen, your PIN has been disclosed to or known by someone else, or there has been an unauthorised use of your Card (or Card Information), or you suspect that one of these events has occurred, either in New Zealand or overseas, you will not be liable for any unauthorised Transactions carried out after that time (unless you have acted fraudulently or negligently). You will only be liable to pay up to \$50 for any unauthorised Transactions that have taken place before you notified the Bank unless you have:
- unreasonably delayed notifying the Bank;
 - selected an unsuitable PIN;
 - disclosed your PIN to anyone else, either deliberately or inadvertently (for example, where you failed to take reasonable steps to prevent disclosure of your PIN when keying in your PIN);
 - failed to reasonably safeguard your Card or your Card Information or failed to retrieve your card following a Transaction;
 - allowed someone else to use your Card;
 - written your PIN on your Card or kept any other written or electronic record of your PIN; or
 - acted fraudulently or otherwise contributed to or caused losses from unauthorised Transactions as a result of your actions.
- 11.2 If any of the above apply, you will be liable for all Transactions up until you notified the Bank up to the maximum amount that you could have withdrawn from your account(s) during that time.
- 11.3 You must give the Bank information and any help we reasonably require to deal with misuse or unauthorised access to your accounts, or in relation to any other Transaction we, the police, or any other authority is investigating. We may pass on related information to other banks, the police, Mastercard or any other party involved in card payments in relation to any misuse of your Card or unauthorised Transactions.
- 11.4 On behalf of the Bank, Westpac New Zealand Limited ("Westpac") provides a Fraud Monitoring Service in relation to the Debit Mastercard card. You consent to Westpac communicating with you directly when and if required concerning the screening, detection and investigation of any unauthorised access to, or potentially fraudulent transactions on your accounts.
- 11.5 Except as expressly stated in these Terms and Conditions, the General Terms and Conditions and to the extent permitted by law, the Bank will not be liable to you for, and you agree to indemnify the Bank against, any loss or claim that results directly or indirectly from unauthorised use of your Card or PIN or failure of any machinery used or system involved in a Transaction.

12. Replacement/Additional Cards

- 12.1 The Bank will replace your Card if it becomes damaged or faulty. Once you have received your replacement Card, you should destroy your damaged or faulty Card.
- 12.2 The Bank may also issue an additional Card to a person nominated by you if you want that person to have access to your account(s).
- 12.3 These Terms and Conditions will apply to that additional Card as if that additional Card was your own. You will be liable for any breach of these Terms and Conditions (and any General Terms and Conditions) by any additional cardholder.
- 12.4 You will be liable for all debts incurred on your account(s) by any additional cardholder.
- 12.5 You should ensure that any nominated person is familiar with these Terms and Conditions.
- 12.6 The Bank may charge you for any replacement Card.
- 12.7 The Bank will charge you for any additional Card it issues.

13. Fees/Charges

- 13.1 You agree to pay all fees and other charges relating to the use of your Card including the fees for any replacement or additional Card in addition to any applicable account(s) and Transaction fees.
- 13.2 The Bank may deduct such fees and other charges from your account(s) in accordance with the 'Fees, Costs and Deductions' section of the Bank's General Terms and Conditions.
- 13.3 Transaction fees are charged to the account in which the connected Transaction has occurred. Transaction Dispute Fees will be charged to the account nominated by you when the Transaction is disputed by you. All other fees will be charged to your Primary Account.
- 13.4 The full list of fees and charges which apply to the use of your Card are detailed within our Account Charges document. Copies of our Account Charges document are available on request and free of charge from any branch or agency of the Bank or viewed on our website at sbs.bank.co.nz
- 13.5 Fees and charges are subject to change.

14. Cancellation of your Card or closure of your account(s)

- 14.1 If you no longer wish to use your Card, notify the Bank, and either destroy the Card or return it to us.
- 14.2 The Bank may cancel your Card at any time without notice.
- 14.3 If your Card is cancelled or suspended or the account(s) to which a Transaction has occurred is/are closed, you will still be liable for payment of all Transactions made and all fees and charges accrued using your Card, up to the time of cancellation, suspension or closure. You will also be liable for any fees or other costs associated with recovering amounts owing on your account(s). These Terms and Conditions will continue to apply until any outstanding amounts debited to an account are paid (whether the amounts are accrued or charged before or after cancellation of your Card or closure of your account).

15. Authorisations and debit holds

- 15.1 A Merchant may seek authorisation for a Transaction in circumstances where the Transaction is not completed at the time of authorisation. This may result in the Bank holding the authorised funds in your Nominated Account until the payment is processed by the Merchant. This is common in the case of hotels/motels and car rental companies. Authorised funds may be held up to a maximum of seven business days and will reduce the available balance in your account(s) until the Transaction is processed.
- 15.2 Merchants may also check the Card's authenticity by requesting a hold for a nominal amount. This often occurs with hotels, airlines and online shopping Merchants.

16. Second Factor Authentication

- 16.1 On behalf of the Bank, Westpac provides a second factor authentication service, Mastercard ID Check, in relation to your Card.
- 16.2 When making certain online transactions through a Merchant, you may be required to enter a One-Time Password to authenticate the transaction (before the Merchant accepts your Card for the transaction).
- 16.3 The Bank will not charge you a fee for sending you a One-Time Password to your mobile phone number. However, your mobile phone service provider may impose its own separate fees and charges. The payment of such fees and charges is your responsibility as the mobile phone account holder.
- 16.4 If you are unable to enter your One-Time Password, or if the authentication of your transaction otherwise fails, the Merchant may not accept your Card for that transaction.
- 16.5 For security purposes, in the event that the allowable number of attempts to authenticate your identity is exceeded, your online transaction may not be able to be completed and your Card may be temporarily blocked.

- 16.6 In addition to these Terms and Conditions, the use of Mastercard ID Check for any online transactions using your Card is subject to our Mastercard ID Check Terms and Conditions which are available on request and free of charge from any SBS Bank Branch or can be viewed at sbsbank.co.nz

17. Terms and conditions set by third parties

- 17.1 In addition to these Terms and Conditions, the use of your Card in an EFT terminal is subject to the conditions imposed from time to time by other financial institutions who are parties to any EFT system or provide any identity authentication service.
- 17.2 Mastercard and the Mastercard brand mark, and PayPass, are registered trademarks of Mastercard International Incorporated.

18. Transaction disputes

- 18.1 Where you have a dispute with a Merchant regarding a Transaction, we suggest you initially speak to the Merchant to try to resolve the situation. Where you cannot resolve the situation with the Merchant or you believe the Transactions have occurred resulting from either unauthorised access to, or potentially fraudulent Transactions on your account(s), you will need to notify us of a disputed Transaction within the time period stated below.
- 18.2 You are responsible for checking your statements to ensure their accuracy and advising us of any mistakes, which can include, but are not limited to, incorrect, invalid or unauthorised Transactions, even if you do not reside (permanently or temporarily) at the address to which you have requested us to send statements.
- 18.3 If you do not notify us of a disputed Transaction within the time period stated below, then the charge or record of the Transaction will remain on your account(s) and we will not be able to reverse the Transaction.
- 18.4 If you dispute any Transaction recorded in your monthly statement, you must notify us in writing within 30 business days of the Statement Closing Date, giving the following information:
 - a. your name and Card Number;
 - b. the amount and nature of the disputed Transaction, attaching (if available) a copy of the Transaction record or sales voucher in support of your case;
 - c. details of the EFT terminal (if any) at which the disputed Transaction occurred;
 - d. details of the website (if any) through which the disputed Transaction was initiated
 - e. the date and approximate time (if known) on which the disputed Transaction occurred; and
 - f. details of any formal complaint lodged with the police
- 18.5 The Bank will provide you with the Transaction dispute form required to be completed to meet the above notification requirements. To obtain a copy of this form please contact the Bank directly.
- 18.6 Once you have notified us of the disputed Transaction, we will investigate the matter and acknowledge your complaint within five days.
- 18.7 You may be charged a Transaction Dispute Fee.
- 18.8 Where we agree that an error did occur (whether it was in relation to the disputed Transaction or not) it will be corrected, and you will be advised of any appropriate adjustments which will be made to your account. In this instance, the Transaction Dispute Fee charged will be refunded.
- 18.9 If, as a result of our investigation, we believe the charge or Transaction should remain, we will write to you setting out our reasons and the Transaction Dispute Fee will be charged.
- 18.10 If you have followed the Bank's internal complaints procedure and you are still not satisfied with the outcome of the investigation, you may refer the matter to the Banking Ombudsman.

19. Changes to these Terms and Conditions

- 19.1 We may change these Terms and Conditions from time to time.
- 19.2 You will be given at least 14 days' notice of any change to these Terms and Conditions either by post to your last known address, telephone call, notice in your Branch or local newspaper and/or notice on our website.
- 19.3 You authorise us to give information about you and any of your account(s) to others in order to execute your instructions to us via your Card. However, you may instruct us not to share your information by giving us written instructions to that effect.
