- Southland Building Society operates under the brand "SBS Bank". The name of the registered bank is Southland Building Society (referred to as "**us**" "**we**" or "**our**").
- These terms and conditions (which can be amended or replaced from time to time) apply to your use of SBS Bank's ID verification mobile application called SBS Verify (the "**Mobile App**").
- By downloading and/or using the Mobile App, you agree that you (and anyone else using the Mobile App on your mobile device) will comply with these terms and conditions and the SBS Verify Privacy Policy which are available at: <https://www.sbsbank.co.nz/terms-conditions>
- Please read these Terms & Conditions carefully. We are happy to explain anything to you that is not clear.

1. How the Mobile App Works

- 1.1 The Mobile App allows us to verify your identity and address ("**ID Verification**") electronically as required to comply with our obligations under the Anti-Money Laundering and Countering Financing of Terrorism Act 2009.
- 1.2 By using the Mobile App, you will need to take a photo of yourself and upload supporting identification documents ("**Supporting Documents**"). Our Mobile App then uses an electronic verification platform provided by Green ID Limited ("**Green ID**") to complete the ID Verification by matching your personal details with official records held with the New Zealand and/or Australian Government (as applicable) and records held within identification databases maintained by select independent third party agencies (each a "**Third Party Agency**").
- 1.3 If your ID Verification is successful, the relevant Third Party Agency will provide a successful match result via Green ID to us and you via the Mobile App.
- 1.4 If your identity or address cannot successfully be verified for any reason, we will need to complete your ID Verification manually. This may require you to call our Contact Centre on 0800 727 2265 or contact one of our branches during business hours.

2. Eligibility and use of the App

- 2.1 To use the Mobile App you must:
 - have a compatible mobile device or applicable device;
 - ensure that you have downloaded the latest version of the Mobile App;
 - have Supporting Documents available which include but are not limited to:
 - a current version of a New Zealand Driver's Licence, New Zealand Passport or Australian Passport; and
 - a formal document issued which verifies your residential address, such as a card or bank account statement issued within the past 12 months or a document from a New Zealand

government agency; and

- have authority to provide the information contained in the Supporting Documents to us.
- 2.2 You may:
 - download the Mobile App on more than one mobile device;
 - use the Mobile App to carry out ID Verification for more than one person. However, for security reasons, we recommend that you:
 - only download the Mobile App on your own mobile device;
 - do not allow another person to use the Mobile App on your mobile device; and
 - do not use the Mobile App on a shared mobile device (other than where you are completing electronic ID Verification at any of our branches using a device provided by any of our staff).
 - 2.3 If you allow the Mobile App on your mobile device to be used by another person to complete their ID Verification, you agree that you are responsible for that person's use.
 - 2.4 You cannot use the Mobile App to complete an ID Verification on behalf of another person(s) (for example, as a parent/guardian on behalf of a child/minor or as an attorney for another person).
 - 2.5 Before you can begin your ID Verification through the Mobile App:
 - We will give you a code either via text or in person. We will only send or give you a code if we need you to complete ID Verification with us.
 - You will need to insert your email address and code into the home-screen of the Mobile App.
 - 2.6 If you:
 - forget your code;
 - exceed the time limit to conduct your ID Verification using the Mobile App; or
 - the App is closed during the ID Verification process (either by you or due to loss of power or internet connection),

you will need to restart the process you were following to obtain a new code. If you need

assistance obtaining a new code please phone our Contact Centre on 0800 727 2265 or contact one of our branches during business hours.
