Please read your Loan Agreement carefully. If your Loan Agreement is a consumer credit contract for the purposes of the Credit Contracts and Consumer Finance Act 2003 ("**CCCFA**"), this Loan Schedule contains some key information about your Loan disclosed under section 17 of the CCCFA. If you are unsure whether your Loan is a consumer credit contract, please see page 1 of the Loan Terms and Conditions.

The information about your Loan in this Loan Schedule is disclosed as at the date of this Loan Schedule and is based on various assumptions, including that the interest rate will remain the same for the Term of your Loan and that you will make all required payments on time. The interest rate and fees and charges may change after the date of this Loan Schedule and before you draw down your Loan. We will notify you of any change to the interest rate, and the new interest rate will apply to your Loan on and from the date you draw down your Loan or any part of it.
