Wave and go with Visa payWave

Everyone leads busy lives so contactless payments are the ideal solution for you. Your SBS Pink Ribbon Visa uses Visa payWave, a secure, contactless payment technology which helps you spend less time at the check-out.

To pay for transactions under the payWave limit in New Zealand just wave your SBS Pink Ribbon Visa in front of a contactless terminal and it will automatically process your purchase - there's no need for a signature or a Personal Identification Number (PIN). For transactions over the payWave limit you'll be required to enter your PIN.

Refer to sbsbank.co.nz/credit-card/faq for payWave limit.

Card security

We know card security is important. Here are some ways you can be confident when making purchases.

VISA Secure

Your SBS Pink Ribbon Visa is protected by "Visa Secure" which is an additional security feature for online shopping at participating sellers. Whenever you shop online using a seller who is also enrolled with "Visa Secure", the system makes sure that you are the person shopping with your credit card by verifying your identity. All SBS Pink Ribbon Visa holders are automatically enrolled in this free service. Go to visa.co.nz for more information.

Your card has a chip

Your credit card has a microchip embedded in it, which turns your information into a unique code when used at any EFTPOS terminal. This makes it difficult for anyone to copy and gives your card added security against fraud.

- don't use repeated numbers e.g. 4444
- don't use consecutive numbers e.g. 1234
- your PIN mustn't be the last or first 4 digits of your card number or customer number

Paying your SBS Pink Ribbon Visa

Set out below are 4 easy ways to make repayment on your SBS Pink Ribbon Visa.

1. Internet banking

If you prefer to bank online and are good with online stuff, log into your internet banking.

Add **SBS Pink Ribbon Visa** as a new payee. You can make one-off payments to us each month to repay all or part of your SBS Pink Ribbon Visa balance.

Details to include when setting up your payment are set out below. You will find these details on your SBS Pink Ribbon Visa statement, or by logging into SBS Bank Internet Banking.

Make sure you include these details:

- **PARTICULARS** — your account number
- **CODE** — your last name and initials
- **REFERENCE** — your customer number (located on the reverse of your card)

2. Direct debit

Just set it and forget it. Download and print our direct debit form at sbsbank.co.nz or visit your nearest SBS Bank Branch to pick one up.

Once you've filled it out, post it to:

SBS Bank Credit Card Team
PO Box 1204
Invercargill, 9840

or email it to: info@pinkribbonvisa.co.nz

3. Over the counter at your nearest SBS Bank branch

If you would like to pay in person, visit your nearest SBS Bank Branch and one of our helpful team will get this sorted for you.

4. Over the counter at NZ Post

Just take your latest SBS Pink Ribbon Visa statement to your nearest NZ Post Shop (a \$1.50 fee applies).

Visit nzpost.co.nz to find your local NZ Post Shop.

Making a payment

Each month, we'll provide you with a statement. Your statement will show the opening and closing balances, the minimum amount due, and, if a previous payment is overdue or your account balance is over your approved credit limit, you may see an amount due to be paid immediately. You need to pay at least the amount due on this statement by the due date, to keep your account up to date. You can pay any amount up to and including your closing balance.

How much should I pay?

If you can afford to, it's best to repay more than just the minimum amount due on your credit card. If you only repay the minimum amount then you'll end up paying more because of interest that is charged on the balance and it will take you longer to repay. However, if you repay more than the minimum amount due each month, it will reduce the amount of interest charged and you'll be able to pay off your balance faster.
